

Dear Parents,

I know we all still have many uncertainties for the 20/21 school year. Sharing supplies and special area teachers going to classrooms are just a couple of them. This year, I am asking for the following supplies (if they have not already been included on your child's classroom teacher list):

9"x 12" sketchbook

Crayons

Markers

Pencil

Eraser

Glue stick

Scissors

These supplies can be placed in a zip lock baggy and used in the art room or the classroom. If you are having difficulty locating a sketchbook, a two-pocket folder with plain white paper works fine. Thank you in advance.

Cathy Pezzo
