Dear JVF Parents and Caregivers,

The JVF Elementary Student Handbook is designed to provide a resource for some of the basic information that you and your child will need during the school year. It also includes information that is helpful in understanding our school district policies. This handbook, along with other helpful information, can be found on our school website.

The term “parent” refers to the parent, legal guardian, caregiver, or other person who has agreed to assume school-related responsibility for a student. Both students and parents must be familiar with the Beacon City School District Student Code of Conduct, required by state law and intended to promote school safety and a positive atmosphere for learning. You will see that our handbook also references the BCSD Strategic Plan and the skills and attributes we work to help every student attain and demonstrate as they grow in their educational journey.

The handbook is updated yearly, while policy adoption and revision may occur throughout the year. The handbook is also available electronically on our school website, where updates are made more frequently. Please note that references to alphabetical policy codes are included so that parents can refer to current board policy. Changes in policy that affect Student Handbook provisions will be made available to students and parents through newsletters or other communications.

You are encouraged to review the entire handbook with their children and keep it as a reference during this school year. If you or your child have questions about any of the material in this handbook, please contact a teacher, the main office clerical team, or the principal. We welcome your participation and support during the school year and encourage your involvement and membership with the JVF PTSO. For information about school happenings, please be sure to check out the “**Principal’s Monthly Post (PMP)**” found on our school website and shared via PTSO list-serve.

I look forward to the 22-23 school year and remain committed to working with you to support and prepare your child academically, socially and emotionally throughout their educational journey at JV Forrestal. Please note, as aforementioned, any updates and changes to items in this handbook will be made as they arise and posted to our website - additional communications will be sent via multiple platforms such as Blackboard Robo Message, classroom communication, PMP, and school newsletters! Thank you for your partnership!

Sincerely,

Crystal Sessoms-Wiggins
JV Forrestal Principal

The Elementary School Schedule

At the elementary schools in Beacon, the students and staff follow a four-day schedule. An important goal of this endeavor is to maximize instructional time during the school day by reducing and minimizing interruptions in the classrooms. By looking at scheduling differently, we seek to provide longer blocks of uninterrupted time for language arts, math and additional core subjects. This plan maximizes instructional time lost due to holidays, school closings and or delays to classes scheduled on the same day (Special Area Subjects). Research shows students benefit from greater consistency and predictability with the school day.

What does a Four-Day Rotation Mean and How Will I Know What Day It Is?

A four-day rotation does not mean that there are now four days of school. Instead of defining the week as Monday through Friday, it takes four days labeled: day 1, 2, 3, 4 and uses them as a cycle throughout the school year. So, “Day 1” may fall on a Monday one week and it may be a Thursday on another week. The important piece is to know which day the cycle we are on versus the day of the week it is.

It is important to know the cycle because it affects the “specials” your child has (Art, Physical Education, Music, Library). For example, instead of Art being every Tuesday, it might be every “Day 3”. You will receive this information from your child’s teacher on the first day of school.

You will soon become familiar and comfortable with keeping track of the cycle, but this information can be found in a variety of places:

- ✓ At the entrance of the main lobby
- ✓ On the information boards
- ✓ On the district and school websites

Attendance

Beacon City School District guidelines require that a child be 5 years of age on or before December 1st to be admitted for entrance to kindergarten. New York State Education Law requires that all children from ages 6 through 17 attend school regularly.

- ❖ Regular **attendance at school is extremely important** and critical for student success.
- ❖ Please note that each parent/guardian is legally responsible for seeing that your child reports to school in a timely manner, and is responsible **for calling the school whenever an absence occurs.**
- ❖ If your child is absent, please call the **Attendance Office at 845-838-6900 (Ext. 5602)** on the morning of your child's absence.
- ❖ A written excuse is required for each day of absence from school. The note should state the child's name, date(s) of absence, and the specific reason for the absence.
- ❖ If your child will be absent for an **extended period of time, the school should be notified in advance** or as soon as possible so that assignments can be provided.

Unless you call the school to report your child's absence, you will receive a phone call from the Attendance Office each day your child is absent to confirm the reason they are not in school.

A **legal absence from school** may be one of the following reasons:

- ❖ Illness of your child
- ❖ Emergency Family Illness
- ❖ Religious observation
- ❖ Required Court appearance
- ❖ Death in the Family
- ❖ Impassable roads due to severe weather
- ❖ Quarantine
- ❖ Emergency medical/dental appointments*

**If an early pick up is needed, this should take place prior to 2:45pm*

Early Dismissal

If a student is to be dismissed early, a written request to the school is required. A parent/guardian must report to the Attendance Office to sign out and pick up their child. ***ALL VISITORS ARE REQUIRED TO SHOW VALID IDENTIFICATION.** Please remember to bring your driver's license or valid photo ID to enter the building.

No one is to go directly to the classroom, as this would be disruptive to the learning environment.

1. Children will be called from their classroom upon your arrival at school. Students must be signed out at the security kiosk.
2. Early releases should take place prior to 2:45pm. Following this time we began to prepare for our dismissal procedures.

MESSAGES FOR STUDENTS

Any changes in your child's daily routine should be discussed with your child **BEFORE** they leave for school in the morning. **A written note regarding any change in daily routine should be sent to school with your child advising the classroom teacher and the administrative staff of the change.**

The School Office is not always able to relay personal messages for individual students during the school day.

Medical Information

Health Services

The school nurse will see children who show symptoms of illness or who are injured during the school day. Parents will be notified if it is determined that the child should not remain in school.

When to keep your child home from School:

- ❖ If their temperature is 100° or higher. If your child attends school with a temperature of 100° or higher, they will be sent home.
- ❖ If they are experiencing any gastrointestinal problems such as diarrhea or vomiting.
- ❖ Strep Throat.
- ❖ Rashes with a fever. Rashes without a fever will be evaluated by the school nurse and will determine if the student needs to be picked up for further evaluation by his/her healthcare provider.

Your child should be free of any of the above symptoms for 24 hours before they return to school.

*School Physicals

Annual School Physical examinations are required for all students entering kindergarten, second and fourth grade, and for any new students entering from outside the school district. We urge you to take your child to your family physician before entering school. If you would like to have your child examined by the district physician, you must submit your request in writing and direct it to the school nurse.

*Health Screenings

In an effort to identify health needs, the following screenings are given by the school nurse:

1. Vision Tests
2. Hearing Tests
3. Measurement of height and weight
4. Scoliosis

Immunizations

New York State Education Law requires that each school should maintain a record with the dates of the following immunizations:

- ❖ ***Diphtheria/tetanus*** - 3 doses administered as DPT, DT, Dtap or Td
- ❖ ***Polio*** - 3 doses of OPV or TOPV or 3 doses of IPV ***Measles*** – (2 doses, the first administered after 12 months of age, and the 2nd after 15 months of age for children born on or after 1/1/85 only.) All other children only one dose.
- ❖ ***Mumps*** – 1 dose administered after 12 months of age
- ❖ ***Rubella*** (*German Measles*) – 1 dose administered after 12 months of age
- ❖ ***Hepatitis B*** – (3 doses for K-12 students born on or after 1/1/93).
- ❖ ***Varicella (Chicken Pox)*** – (1 dose administered after 12 month of age) for all students born on or after 11/98 and entering Kindergarten on or after 9/03. 1 Dose for students born on or after 1/1/94 and entering 6th grade on or after 1/1/2005.
- ❖ ***Dtap*** – Booster will be required upon entering 6th grade for students turning 11 years of age.

Confirmation in writing of the above immunizations must be presented to the school. Students without written documentation of these immunizations will not be allowed to enter school.

Medications

New York State Education Law states the following:

Children may not bring medication of any kind to school, including over-the-counter medications. Children may have medication administered in school only under the following conditions:

- ❖ **The medication must be accompanied by a written order signed by a physician, with the following information: name of the student, name of the medication, reason for administering, dosage, time and number of days.**
- ❖ **Medication must be in the original container, have a professional label, and be delivered to the school nurse in an original, unopened container or box.**
- ❖ **The parent must also submit a written request to the school nurse to administer the medication.**

Any changes in dosage must be accomplished through a written request by physician and parent.

New prescriptions are required at the beginning of each school year.

*At the end of the school year, it is the responsibility of the parent/guardian to pick up all student medications from the nurse's office.

COVID-19

Health Checks - Parents/Guardians please keep in mind symptoms of COVID-19 and the latest info from [Dutchess County Department of Health](#) and the [Centers for Disease and Control Prevention](#)

Healthy Hand Hygiene Practices - Signage for healthy hand hygiene is posted throughout the school building. There are also hand sanitizer stations. Visibly soiled hands should be washed with soap and water.

When or if this is in place the below will apply or be edited based on health dept. and NYS or Federal updates, as of the 22-23 school year, social distancing and masking is not a school requirement

Social Distancing - All building occupants will be required to maintain social distancing of at least 6 feet from one another. Face masks are highly recommended to be worn and are required to be worn when social distancing can not be maintained and in common areas such as hallways, bathrooms, breakrooms.

Management of Ill Persons - Students and staff with symptoms of illness must be sent immediately to the health office. The school nurse will assess individuals to ensure that symptoms are truly those consistent with COVID-19 and not other chronic conditions such as asthma and allergies or chronic gastrointestinal conditions that are not contagious. Staff or students exhibiting COVID-19 symptoms should be placed in an isolation room until the staff member leaves the building or the parent comes to pick up the student. If there are multiple students with COVID-19 symptoms, they should be spaced six feet apart until a parent/guardian arrives to bring them home.

Technology

Technology has become paramount in communication. There are some guidelines that staff members adhere to as it relates to technology. Your information as well as important student information and contact is accessible through the district Parent Portal platform.

Parents/caregivers each have an assigned login for this platform. **If you do not have parent portal access please reach out to the main office!**

We understand that parents/caregivers may have preferred methods of maintaining communication with staff - please let your student's teacher know of this and be sure your most up to date contact information is provided as well as your preferred method (email, phone, etc) and language.

Student Records

All Student Records are maintained by the Attendance Secretary, including contact information and academic records. All requests for academic records should be directed to the Attendance Secretary and/or District Registrar at 10 Education Drive Beacon, NY 12508 (845) 838-6900 ext. 2002.

It is extremely important that you notify the school in writing of any change in your child's contact information as soon as possible.

Phone Updates: The district's automated telephone notification system will contact you directly based on the information that is in your child's record. Our Attendance Secretary can update your phone number.

Address Updates: The District Registrar at 10 Education Drive Beacon, NY 12508 (845) 838-6900 ext. 2002. needs to be made aware of any address changes.

Safety and Security

Bicycles

- ❖ Bicycles may not be ridden on school property during school hours. Bicycle racks are available.
- ❖ New York State Law requires children aged 14 and under to wear a bicycle safety helmet

Student Valuables and Lost & Found

The school is not responsible for student property which is lost or stolen. If your child wears glasses, a watch, or jewelry to school, it is their responsibility to keep track of them at all times. Students are cautioned not to bring large amounts of money to school or electronic devices. If they must, this fact should be brought to the immediate attention of the classroom teacher upon your child's arrival in school.

Lost & Found

Lost & Found bins are maintained near the entrance to the cafeteria. Items are placed there as they are found during the day. Coats, jackets, mittens, and lunch boxes are collected there. Any glasses or jewelry found is held in the Main Office. If your child is missing an item, please remind them to check these bins often for missing articles.

Note: *For health reasons, items placed in the Lost and Found bins are discarded periodically.* Any Lost & Found items not collected at the end of the school year will be discarded.

Emergency Closings and Delays

School Delay or Closing

In the event of severe weather or mechanical breakdown, starting time may be delayed or school may be closed. The same conditions may also necessitate an early dismissal. The district's automated telephone notification system will contact you directly with this information. For this reason, **it is important that you notify the school of any change in your contact information.** *This information will also be available on the district website.*

The District-Wide Automated Phone Notification system will call the primary number you have designated the district to call regarding closings, delays, or early releases. Please check your phone regularly for information.

- ❖ **Early Release/Dismissal.** It is the responsibility of each parent/guardian to ensure that there is a plan in place for their child in the event of any early release/dismissal.

Please be sure that the school is aware of any unique bus/pick-up instructions if your normal day care provider is not available.

Dress Code

Please refer to page 27 with more details and guidance on the Board of Education approved dress code. Children should wear comfortable clothes for moving about and getting involved in activities such as physical education and painting.

Sneakers are required for gym.

Cold Weather Note

Children will go outside for recess as long as the weather permits, even in the winter, as long as the (“feels like”) temperature is above 26°. Dressing in layers as the weather gets colder is a good idea (see Outdoor Recess Regulations and Wellness Policy 5405).

- Students will play outdoors daily when weather and air quality do not pose a significant health risk, as outlined in the [Beacon City School District Wellness Policy](#), and [Outdoor Recess Regulation](#).
- Students will remain inside in extreme weather conditions such as: cold temperatures (below 26 degrees) and wind chill, heavy rain and snowfall. In the event that the school conducts indoor recess, our teachers and staff will follow indoor recess guidelines that promote physical activity for students, to the extent practicable, as determined by the school principal.
- If your child cannot participate in recess for health reasons, please send a note to this effect.

Please make sure your child arrives ready to play by sending them appropriately dressed for the weather so they can participate fully, move freely, play safely, and be comfortable.

Examples of clothes that allow for outdoor play in different weather conditions include:

- Snow: heavy coat, boots, hat, scarf, and gloves.
- Rain: raincoat, sneakers, boots.
- Varying temps: layers of clothing.

Children’s footwear should also provide support for running and playing outdoors. Examples of appropriate footwear include sneakers, gym shoes, and other shoes with rubber soles that enclose the feet and will not come off easily.

For our little ones - please work with your child at home practicing zipping, buttoning, removing boots etc. they will receive help at school, however, support at home in practicing this will help lead them to independence and a timely process for getting outside and returning from recess.

Parent Teacher Communication

Parent Teacher Communication

Report Cards

Report cards will be sent home quarterly. Please review your child's report card carefully. Teachers will share information about the skills and concepts your child is learning. They will also list ways to support your child if they are having difficulty. If there are concerns about a student's progress, parents will be notified five weeks before report cards are sent home.

Please refer to the schedule as listed for the distribution of report cards and five-week progress reports.

A parent-teacher conference is required following the **first** 10-week marking period at which your child's report card will be discussed and given to you.

If further explanation is desired, a conference may be arranged by contacting your child's teacher.

All meetings with your child's teacher must be set up by appointment and should be made at least 24 hours in advance.

What To Do If You Have a Concern

- Step 1** – First contact your child's teacher to review the situation and to explain your concern.
(*Note: Your child's teacher is always the first step in successfully resolving a concern.*)
- Step 2** – Contact the School Psychologist, Social Worker or Nurse (if applicable) to intervene as needed.
- Step 3** – Contact the Principal after involving all other available school resources.
- Step 4** – Contact the Superintendent only after involving the Principal and all other available school staff.

Lunchtime

The School District Breakfast and Lunch Menus are available at www.mealviewer.com
Nutritional profile of meals and side items are set in this document which is updated regularly.

Students may bring their lunch from home, or they may purchase lunch from the cafeteria. Meals from school are ordered each morning in classrooms. These orders are sent electronically to the kitchen for that day's preparation. Students' lunch accounts are available online at www.myschoolbucks.com. Please be sure to know your child's ID number to sign up for a [www.myschoolbucks](http://www.myschoolbucks.com) account. ID numbers are available when you register for the parent portal. Snacks are also sold in the cafeteria on a daily schedule. More information about the snack program can be found on the BCSD website/departments/food service

All bus routes have been organized to operate with the most efficiency and maximum safety in mind. **Therefore, it is imperative that children not transfer from their regular bus to another.**

STUDENT BUS CONDUCT

- The driver is in complete charge and it's important to adhere to their directions for safety purposes.
- Disruptive behavior is distracting to the driver and unsafe for all.
- Students must remain seated while the bus is in motion.
- After entering, and until leaving the bus, students will keep heads, hands and arms inside the bus at all times.
- Littering on the bus or throwing anything from the bus is prohibited.
- Books, backpacks, packages, coats or any other items must be kept out of the aisle.

Transportation Changes

Questions, changes, or concerns about the transportation of your child on the district buses should be directed to the *Supervisor of Transportation at 838-6900, Ext. 2701.*

School Happenings

Meet the Teacher Night

'Meet the Teacher Night' is an opportunity for you, the parents, to come to your child's classroom and meet the teacher in an informal atmosphere. Your child's teacher will take this opportunity to talk about a typical day. Individual parent/teacher conferences are scheduled at this time. This program gives the parents an opportunity to see their child's school environment and meet parents of children in your child's class.

Spirit of Beacon Day

The Spirit of Beacon Day is an annual community event in which JV Forrestal Elementary School participates. Students, teachers, and parents show our school spirit by marching in the parade and having a booth on Main Street to raise money for PTSO activities. Please join us, and wear your JV Forrestal Elementary School t-shirt to show the community how proud we are to be associated with JV Forrestal Elementary School. For more information, please email "jvfptso@gmail.com"

Parent Conferences

Parent conferences are scheduled prior to the first report card. This allows parents and teachers to talk individually about their child and answer any questions or concerns you may have since the school year started. This is a great opportunity to better understand what your child's teacher expects and how to attain these goals. Parent conferences may be scheduled at any time by calling the school and requesting an appointment.

PTSO Fundraisers

During the school year, the PTSO conducts several fundraisers. These fundraisers enable the PTSO to sponsor educational programs at the school. In addition, each teacher (who is a PTSO member) is invited to apply for a "PTSO Mini-Grant" to request funds for programs or materials they feel would be most appropriate for their class. The success of the PTSO fundraisers depends upon your support.

Book Fair

The PTSO will offer the Scholastic Book Fair for a week in the Spring which coincides with the school "Open House". The Book Fair is an opportunity to bring reasonably-priced books into your home. All books available are appropriate for children to read and are offered at many grade levels. Books may also be purchased and donated to our own school library at these times. The PTSO needs volunteers to help the children shop. Please email "jvfptso@gmail.com" if you are able to assist.

Open House

Each Spring, we invite you to come and visit your child's classroom. You will be able to see your child's educational environment, review their progress, and appreciate their projects on display.

JV Forrestal Elementary School Spirit Items

The PTSO sells various Spirit Wear items, including t-shirts and sweatshirts for children and adults as a fundraiser. Consider purchasing one of these items to show your school spirit. Order forms will come home in the Fall. You can email the PTSO at "jvfptso@gmail.com" for more information.

**Beacon City School District Code of Conduct Summary
2019-2020 School Year**

For the official Beacon City School District Code of Conduct Policy, please see Policy 5300 posted on district's website or in the main office of each school.

I. INTRODUCTION

The Board of Education is committed to providing a safe and orderly school environment where students may receive quality educational services from district personnel without disruption or interference. The school district is committed to:

- ensuring each student is healthy, safe, engaged, supported, and challenged;
- helping students develop self-discipline as well as social and emotional growth;
- guiding students in improvement
- correcting inappropriate and unsafe behaviors.

Responsible behavior by students, teachers, other district personnel, parents, and visitors is essential to achieving these goals.

For this to happen, everyone in the school community must demonstrate and offer respect to others.

Learning from their mistakes is an important part of a child's development. Schools must recognize that all children make mistakes as part of growing up and approach these instances with care and as potential learning opportunities. School discipline policies should support students and teachers to ensure that everyone is treated with dignity and respect.

Student engagement is also integral to creating a positive school climate and culture that effectively fosters students' academic achievement and social/emotional growth. Providing student with multiple opportunities to participate in a wide range of pro-social activities and at the same time to develop a bond with caring, supportive adults reduces negative behavior. Examples can include: providing students with meaningful opportunities to share ideas and concerns and participate in school-wide initiatives; student leadership development; periodic recognition of student's achievements in a range of academic and co-curricular areas; using corrective feedback; and developing school-wide positive behavior systems.

The district has a long-standing set of expectations for conduct on school property and at school functions. These expectations are based on the principles of civility, dignity, service, inclusivity, integrity, and equity

Keeping in mind that the goal is not to penalize, but to teach students that there are consequences to actions and choices, the Board recognizes the need to:

- Clearly define expectations for acceptable student conduct on school property
- Identify the developmentally appropriate, graduated consequences of unacceptable conduct
- Ensure that discipline is administered promptly and fairly when necessary.

To this end, the Board adopts this code of conduct ("code"), which is based upon education laws, regulations, and Board policies.

Unless otherwise indicated, this code applies to all students, school personnel, parents, and other visitors when on school property or attending a school function.

The district recognizes that a person's choice of clothing is an extension of self-expression and that diversity of self-expression is an asset to any productive learning environment. Choice of clothing is also often closely related to an individual's physical and emotional comfort. It is necessary to enforce some restrictions on student dress for the purpose of student safety and to promote a focused learning environment.

Student dress shall adhere to the following:

1. Students must wear clothing including both a shirt with pants or skirts, or the equivalent and shoes.
2. Shirts and dresses must have fabric in the front and on the sides.
3. Private parts must be covered by fabric that is not see through.

Hoodies will not be allowed to be worn on the head during the school day because they obstruct clear view of the face and profile.
7. Students who violate the student dress code shall be required to modify their appearance by covering or removing the offending item, and if necessary or practical, replacing it with an acceptable item. Any student who refuses to do so shall be subject to discipline, up to and including in-school suspension for the day. Any student who repeatedly fails to comply with the dress code shall be subject to further discipline, up to and including out of school suspension if after restorative justice principles have been implemented the student continues to refuse to cooperate.

5300.30 PROHIBITED STUDENT CONDUCT

The Board of Education expects all students to conduct themselves in an appropriate and civil manner with proper regard for the rights and welfare of other students, district personnel and other members of the school community with the goal of making school a community free of violence, intimidation, bullying, harassment, and discrimination. Students are expected to respect school facilities and equipment. Exclusion from the school environment and suspension will only be used when necessary to protect the safety of students and staff or when all other measures have been exhausted.

The best discipline is self-imposed, and students must learn to assume and accept responsibility for their own behavior, as well as the consequences of their mistakes or misbehavior. District personnel who interact with students are expected to place emphasis on educating students so that they may learn from their behavior and grow in self-discipline and to use disciplinary action only when necessary.

The Board recognizes the need to make its expectations for student behavior while on school property or engaged in a school function specific and clear. The rules of conduct listed below are intended to do that and focus on safety and respect for the rights and property of others. Students who violate these school rules and will not accept responsibility for their own behavior will be required to accept the consequences for their behavior. There are four levels of response to prohibited behavior. Principals should use only the level suggested for each behavior in accordance with the attached consequence chart. However, Principals and the Superintendent have the right to modify the suggested consequences if the facts and the circumstances warrant a different response.

Wellness Policy Regulations: Outdoor Recess Effective Beginning 2018-19 School Yr.

During typical winter days, common sense requires us to look beyond a specific temperature and consider factors such as wind chill, whether the ground is frozen or the sun is shining, how well students are prepared to play outdoors (jackets, gloves, and hats), and the length of time to be spent outside.

Deciding when students play outside remains the responsibility of the principal, based on his/her professional judgment and is a judgment call on a day-to-day basis. The decision-making process may also vary from grade to grade.

The following are expected guidelines to follow in order to adhere to the district's wellness policy # 5405 on recess.

- In conditions of **rain, snow, sleet, or when the temperature is below 26 degrees** with/without wind chill factors students will **remain indoors for recess.**
- **Principals will check weather advisories and weather service announcements,** as well as outdoor conditions in areas **used for recess to inform daily decisions.**
- Principals will **include outdoor recess information** in the school's **student/family handbook each year.**
- Principals will send **reminder letters and notifications to families at the beginning of the winter season regarding outdoor recess and the district's regulation.**
 - Additional **reminders may be sent as determined necessary by the principal** throughout the winter season. This includes reminders that **children will need to be properly dressed for cold weather conditions which may include boots, hats, gloves, and a warm coat.**
- Children with **special health conditions, in particular asthmatic children, may require special accommodations during cold weather** which will be included as part of a 504 Accommodation Plan or Emergency Medical Plan;
- **All students will go outside unless they have a note** from either a parent/guardian or a doctor for short term, acute health needs.

Principal will work with **student support services staff in the school, such as social worker, nurse, and/or school psychologist in order to support families** as needed to determine individual student needs for exemptions to outdoor recess, or support with **ensuring students are dressed appropriately for winter weather conditions.**
