MESSAGE FROM THE PRINCIPAL

Dear JVF Family,

Welcome to J.V. Forrestal Elementary School, I look forward to our school year together. At JVF we hold high our 5 E's - We Educate the mind and Embrace the heart of Every student, in Every classroom, Everyday!

The JVF Elementary Student Handbook is designed to provide a resource for some of the basic information that you and your child will need during the school year. Please be aware that the term "parent" is used to refer to the parent, legal guardian, caregiver, or other person who has agreed to assume school-related responsibility for a student. Both students and parents must be familiar with the Beacon City School District Student Code of Conduct, required by state law and intended to promote school safety and an atmosphere for learning.

The Student Handbook is designed to be in harmony with board policy and the Student Code of Conduct. Please be aware that the handbook is updated yearly, while policy adoption and revision may occur throughout the year. Please note that references to alphabetical policy codes are included so that parents can refer to current board policy. Changes in policy that affect Student Handbook provisions will be made available to students and parents through newsletters or other communications.

We encourage parents to review the entire handbook with their children and keep it as a reference during this school year. If you or your child have questions about any of the material in this handbook, please contact a teacher, the counselor, or the principal. We welcome your participation and support during the school year and encourage your involvement and membership with the JVF PTO.

We are committed to preparing your child academically as well as socially and emotionally toward reaching their full potential. I hope that you have enjoyed your summer and are just as excited as I am to start this school year together. We have a bright future and beautiful journey ahead of us!

Sincerely,

Crystal Sessoms
JV Forrestal Principal

The Elementary School Schedule

At the elementary schools in Beacon, the students and staff follow a four-day schedule. An important goal of this endeavor is to maximize instructional time during the school day by reducing and minimizing interruptions in the classrooms. By looking at scheduling differently, we seek to provide longer blocks of uninterrupted time for language arts, math and additional core subjects. This plan minimizes instructional time lost due to holidays, school closings and or delays to classes scheduled on the same day (Special Area Subjects). Research shows students benefit from greater consistency and predictability with the school day.

What does a Four-Day Rotation Mean and How Will I Know What Day It Is?

A four-day rotation does not mean that there are now four days of school. Instead of defining the week as Monday through Friday, it takes four days labeled: day 1, 2, 3, 4 and uses them as a cycle throughout the school year. So, “Day 1” may fall on a Monday one week and it may be a Thursday on another week. The important piece is to know which day the cycle we are on versus the day of the week it is.

It is important to know the cycle because it affects the “specials” your child has (Art, Physical Education, Music, Library). For example, instead of Art being every Tuesday, it might be every “Day 3”. You will receive this information from your child’s teacher on the first day of school.

You will soon become familiar and comfortable with keeping track of the cycle, but this information can be found in a variety of places:

- ✓ At the entrance of the main lobby
- ✓ On the information boards
- ✓ On the district and school websites

Please Note:

It is important that the arrival and dismissal times be adhered to as shown above. Please make the necessary arrangements to drop off and/or pick up your child in a prompt and courteous manner.

To ensure the safety and security of all students, please ***DO NOT*** drop off children prior to 8:30 a.m. or leave children unattended after 3:20 p.m. ***THERE IS NO SUPERVISION PROVIDED FOR CHILDREN WHO ARRIVE BEFORE THE SCHOOL DOORS OPEN OR WHO ARE NOT PICKED UP ON TIME AT DISMISSAL.***

Be sure to obey all traffic signs. **PLEASE DO NOT PARK IN THE BUS LOOP.** It is for **SCHOOL BUSES AND EMERGENCY VEHICLES ONLY.**

Attendance

Beacon City School District guidelines require that a child be 5 years of age on or before December 1st to be admitted for entrance to kindergarten.

New York State Education Law requires that all children from ages 6 through 17 attend school regularly.

- ❖ Regular attendance at school is extremely important and critical for student success.
- ❖ Please note that each parent/guardian is legally responsible for seeing that your child reports to school in a timely manner, and is responsible for calling the school whenever an absence occurs.
- ❖ If your child is absent, please call the **Attendance Office at 845-838-6900 (Ext. 5602)** on the morning of your child's absence.
- ❖ A written excuse is required for each day of absence from school. The note should state the child's name, date(s) of absence, and the specific reason for the absence.
- ❖ If your child will be absent for an extended period of time, the school should be notified in advance or as soon as possible so that assignments can be provided.

Unless you call the school to report your child's absence, you will receive a phone call from the Attendance Office each day your child is absent to confirm the reason they are not in school.

A legal absence from school may be one of the following reasons:

- ❖ Illness of your child
- ❖ Emergency Family Illness
- ❖ Religious observation
- ❖ Required Court appearance
- ❖ Death in the Family
- ❖ Impassable roads due to severe weather
- ❖ Quarantine
- ❖ Emergency medical/dental appointments*

**** Whenever possible, please make medical or dental appointments after school, as lessons missed during classroom time are difficult to make up.***

Early Dismissal

If a student is to be dismissed early, a written request to the school is required. A parent/guardian must report to the Attendance Office to sign out and pick up their child. ***ALL VISITORS ARE REQUIRED TO SHOW VALID IDENTIFICATION.** Please remember to bring your driver's license or photo ID to enter the building.

No one is to go directly to the classroom, as this would be disruptive to the learning environment.

1. Children will be called from their classroom upon your arrival at school. Students must be signed out at the Attendance Office before they are called out from their classroom.
2. Your child **CANNOT** be released to anyone under the age of 18.
3. Early releases between 3:00 p.m. and dismissal (3:20 p.m.) are prohibited. This is a critical time in the school day, and it constantly delays dismissal when parents/guardians are picking up between these times.

MESSAGES FOR STUDENTS

Any changes in your child's daily routine should be discussed with your child **BEFORE** they leave for school in the morning. A written note regarding any change in daily routine should be sent to school with your child advising the classroom teacher and the administrative staff of the change.

The School Office is not always able to relay personal messages for individual students during the school day.

Medical Information

Health Services

The school nurse will see children who show symptoms of illness or who are injured during the school day. Parents will be notified if it is determined that the child should not remain in school.

By New York State law, the school is responsible for first aid care only. If additional medical care is required, parents will be notified.

Accidents that occur at home or away from school property are not cared for by the school nurse.

When to keep your child home from School:

- ❖ If their temperature is 99.6° or more. If your child attends school with a temperature of 99.6° or more, they will be sent home.
- ❖ If they are experiencing any gastrointestinal problems such as diarrhea or vomiting.
- ❖ If your child exhibits any inflammation of the eye, unless documentation of allergies is noted in their health record.

Your child should be free of any of the above symptoms for 24 hours before they return to school.

School Physicals

Annual School Physical examinations are required for all students entering kindergarten, second and fourth grade, and for any new students entering from outside the school district. We urge you to take your child to your family physician before entering school. If you would like to have your child examined by the district physician, you must submit your request in writing and direct it to the school nurse.

Health Screenings

In an effort to identify health needs, the following screenings are given by the school nurse:

1. Vision Tests
2. Hearing Tests
3. Measurement of height and weight
4. Scoliosis

Immunizations

New York State Education Law requires that each school should maintain a record with the dates of the following immunizations:

- ❖ ***Diphtheria/tetanus*** - 3 doses administered as DPT, DT, Dtap or Td
- ❖ ***Polio*** - 3 doses of OPV or TOPV or 3 doses of IPV ***Measles*** - (2 doses, the first administered after 12 months of age, and the 2nd after 15 months of age for children born on or after 1/1/85 only.) All other children only one dose.
- ❖ ***Mumps*** - 1 dose administered after 12 months of age
- ❖ ***Rubella*** (German Measles) - 1 dose administered after 12 months of age
- ❖ ***Hepatitis B*** - (3 doses for K-12 students born on or after 1/1/93).
- ❖ ***Varicella (Chicken Pox)*** - (1 dose administered after 12 month of age) for all students born on or after 11/98 and entering Kindergarten on or after 9/03. 1 Dose for students born on or after 1/1/94 and entering 6th grade on or after 1/1/2005.
- ❖ ***Dtap*** - Booster will be required upon entering 6th grade for students turning 11 years of age.

Confirmation in writing of the above immunizations must be presented to the school. Students without written documentation of these immunizations will not be allowed to enter school.

Medications

New York State Education Law states the following:

Children may not bring medication of any kind to school, including over-the-counter medications. Children may have medication administered in school only under the following conditions:

- ❖ The medication must be accompanied by a written order signed by a physician, with the following information: name of the student, name of the medication, reason for administering, dosage, time and number of days.
- ❖ Medication must be in the original container, have a professional label, and be delivered to the school nurse in an original, unopened container or box.
- ❖ The parent must also submit a written request to the school nurse to administer the medication.

Any changes in dosage must be accomplished through a written request by physician and parent.

New prescriptions are required at the beginning of each school year.

*At the end of the school year, it is the responsibility of the parent/guardian to pick up all student medications from the nurse's office.

Technology

Technology has become paramount in communication. There are some guidelines that staff members adhere to as it relates to technology:

Facebook has become an extremely popular form of communication. It is suggested that current/former students and parents/guardians do not “friend” staff members of the Beacon City School district.

Email is often one of the best ways for educators to communicate with parents/guardians. There is also access to the district web site as well.

Student Records

All Student Records are maintained by the Attendance Office, including contact information and academic records.

It is extremely important that you notify the school in writing of any change in your child’s contact information as soon as possible. The district’s automated telephone notification system will contact you directly based on the information that is in your child’s record.

All requests for academic records should be directed to the Attendance Office.

Safety and Security

Visitors to School

In order to insure that the building is secure and that classrooms are free of disruptions, ****all visitors to JV Forrestal Elementary School are required to report to the Main Office and obtain a "Visitors Badge".*** The Visitor's Badge **must** be worn in a visible place during the entire time you are visiting our building.

***ALL VISTORS ARE REQUIRED TO SHOW VALID PHOTO IDENTIFICATION"**

Automobile Traffic

1. Cars may **NOT** enter the driveway in front of the building. **THIS DRIVEWAY IS FOR BUSES AND EMERGENCY VEHICLES ONLY.**
2. Parking lots on the side and in the rear of the building are reserved for faculty, staff and parents. There is also street parking available.

To prevent traffic congestion, please park just long enough to pick up or drop off your child.

Bicycles

- ❖ Bicycles may not be ridden on school property during school hours. Bicycles must be "walked" once on school property.
- ❖ Bicycles are to be locked immediately upon arrival at school.
- ❖ New York State Law requires children aged 14 and under to wear a bicycle safety helmet

Walkers

Children and adults must stay on the sidewalk at all times.

Student Valuables and Lost & Found

The school is not responsible for student property which is lost or stolen. If your child wears glasses, a watch, or “good” jewelry to school, it is their responsibility to keep track of them at all times. Students are cautioned not to bring large amounts of money to school. If they must, this fact should be brought to the immediate attention of the classroom teacher upon your child’s arrival in school.

Students are ***NOT*** to bring cell phones, electronic games or toys, I-Pods, I-Pads, trading cards, beepers, or any electronic devices to school. Any student who brings these items to school will have them taken away. A parent/guardian will be required to pick up the item.

Lost & Found

Lost & Found bins are maintained near the entrance to the cafeteria. Items are placed there as they are found during the day. Coats, jackets, mittens, and lunch boxes are collected there. Any glasses or jewelry found is held in the Main Office. If your child is missing an item, please remind them to check these bins often for missing articles.

Note: *For health reasons, items placed in the Lost and Found bins are discarded periodically. Any Lost & Found items not collected at the end of the school year will be discarded.*

Emergency Closings and Delays

School Delay or Closing

In the event of severe weather or mechanical breakdown, starting time may be delayed or school may be closed. The same conditions may also necessitate an early dismissal. The district's automated telephone notification system will contact you directly with this information. For this reason, ***it is important that you notify the school of any change in your contact information.*** *This information will also be available on the district website.*

The District-Wide **Automated Phone Notification** system will call the primary number you have designated the district to call regarding closings, delays, or early releases. Please check your phone regularly for information.

In addition, it is a good idea to listen to the local radio or TV stations each morning. Please check the following:

- ❖ School District Website: www.beaconcitk12.org
- ❖ Local TV stations: *Channel 22* (for Cablevision customers)
- ❖ Local radio stations: AM stations:

- 1200 WGNV
- 1260 WBNR
- 1390 WEOK
- 1450 WKIP

FM stations:

- 97.7 WCZX
- 100.7 WHUD
- 101.5 WPDH
- 104.7 WSPK

Delayed Openings/Early Releases

The school must have your current information so that you may be contacted regarding delayed openings, closings, or early dismissals.

- ❖ **2-Hour Delay.** When a “2-Hour Delay” occurs, school doors will open at 10:30 a.m. Students will be considered late at 10:45 a.m. Breakfast will ***not*** be served on these days.
- ❖ **Early Release/Dismissal.** It is the responsibility of each parent/guardian to ensure that there is a plan in place for their child in the event of any early release/dismissal.

Please be sure that the school is aware of any unique bus/pick-up instructions if your normal day care provider is not available.

Dress Code

Children should wear comfortable clothes for moving about and getting involved in activities such as physical education and painting.

Sneakers are required for gym.

Warm Weather Note

Children should dress appropriately at all times. In order for shorts and skirts to be acceptable, they should reach the child's fingertips as they put their arms to their sides. Tops should not reveal undergarments or body parts (midriff shirts are not appropriate for school). Flip-flops and shoes with high heels are **NOT permitted** at school, as they present a safety hazard. Sandals are only acceptable if they do not have heels on them, and they must have a back strap.

Cold Weather Note

Children will go outside for recess as long as the weather permits, even in the winter, as long as the ("feels like") temperature is above 26°. Dressing in layers as the weather gets colder is a good idea (see Outdoor Recess Regulations and Wellness Policy 5405).

Parent Teacher Communication

Parent Teacher Communication

Report Cards

Report cards will be sent home quarterly. Please review your child's report card carefully. Teachers will share information about the skills and concepts your child is learning. They will also list ways to support your child if they are having difficulty. If there are concerns about a student's progress, parents will be notified five weeks before reports cards are sent home.

Please refer to the schedule as listed for the distribution of report cards and five-week progress reports.

A parent-teacher conference is required following the *first* 10-week marking period at which your child's report card will be discussed and given to you.

If further explanation is desired, a conference may be arranged by contacting your child's teacher.

If you wish to communicate with your child's teacher, please send a note in with your child requesting the teacher to contact you. Please include your child's name, a brief description of your concern, and include your contact information.

All meetings with your child's teacher must be set up by appointment and should be made at least 24 hours in advance.

What To Do If You Have a Concern

Step 1 – First contact your child's teacher to review the situation and to explain your concern.

(Note: Your child's teacher is always the first step in successfully resolving a concern.)

Step 2 – Contact the School Psychologist, Social Worker or Nurse to intervene as needed.

Step 3 – Contact the Principal after involving all other available school resources.

Step 4 – Contact the Superintendent only after involving the Principal and all other available school staff.

Lunchtime

The School District Lunch Manager will publish a cafeteria menu with prices and food choices for breakfast and lunch at the beginning of the school year. Each month, your child will be given a menu to take home. Please review this menu with your child.

Students may bring their lunch from home, or they may purchase lunch from the cafeteria. Meal tickets are available and may be purchased by sending in payment to the “Beacon School Lunch Program”.

***Beginning July 1, 2012 federal regulations require schools to offer a wider variety of nutritious foods such as whole grains, fruits and vegetables and to meet stricter limits on saturated fat and portion sizes. The new meal pattern mandates are part of a strategy to create a healthier school environment which will promote a healthy lifestyle that will help children succeed in the classroom.**

Food Prices:	Breakfast	-	\$1.50
	Lunch	-	\$2.80
	Milk/Juice	-	\$.60
	*prices subject to change		

Free and Reduced Price lunches are available for those who qualify. Applications are sent home at the beginning of the school year. They are also available in the Main Office and can be submitted at any time during the school year.

If an emergency occurs and your child has to charge a lunch, it is expected that you will remit payment within 24 hours. Parents will be notified by the school lunch manager when excessive charges have occurred.

Students are expected to use the lunch period to eat, socialize in an orderly manner, and relax from the daily class schedule. In order to keep the cafeteria a clean, safe, attractive, and pleasant place to eat, the **following rules must be observed:**

1. Respect all cafeteria staff, aides and adults.
2. Use good manners (say “Please” and “Thank You”).
3. Keep cafeteria lines orderly.
4. Walk at all times, and keep your hands to yourself.
5. Keep all milk cartons, food and waste paper on the tray.
6. Empty all debris and trays into the waste containers.
7. Keep tables, seats, and floor clean.
8. Report any spilled goods or liquids to an adult.
9. All foods must be eaten at the tables within the cafeteria.
10. No food or beverage (sealed or unsealed) may be taken out of the cafeteria.

Transportation

Bus transportation is provided to all students who reside more than 1.5 miles from JV Forrestal Elementary Avenue School.

All bus routes have been organized to operate with the most efficiency and maximum safety in mind. *Therefore, it is imperative that children not transfer from their regular bus to another.*

BUS CONDUCT

1. The driver is in complete charge and must be obeyed.
2. Any action that might disrupt the driver is strictly forbidden.
3. Students must remain seated while the bus is in motion. After entering, and until leaving the bus, students will keep heads, hands and arms inside the bus at all times.
4. Littering on the bus or throwing anything from the bus is prohibited.
5. Books, backpacks, packages, coats or any other items must be kept out of the aisle.
6. Students will be courteous to the driver, to other bus riders, chaperones, and to all other persons.
7. Eating is not permitted on the bus.
8. Yelling, cursing, obscene language, scuffling, and/or fighting are forbidden on the bus.
9. Students will not tamper with the bus or any of its equipment.
10. Any damage done to the bus or bus equipment will be paid for by the offender.
11. In case of an emergency, students must follow the directions of the bus driver.

Leaving the Bus

1. Students departing the bus must remain seated until the bus comes to a complete stop.
2. Students crossing the road will cross at least 10 feet in front of the bus, only after the driver has signaled that it is safe to do so.
3. The driver shall discharge students only at the student's designated school bus stop, unless the student has proper authorization from an authorized school official for a change in drop-off location.

Transportation Changes

Questions, changes, or concerns about the transportation of your child on the district buses should be directed to the *Supervisor of Transportation at 838-6900, Ext. 2701.*

Bus safety is a cooperative program. Both the school and the home can work together by periodically reminding children of good safety procedures and habits.

School Happenings

Meet the Teacher Night

'Meet the Teacher Night' is an opportunity for you, the parents, to come to your child's classroom and meet the teacher in an informal atmosphere. Your child's teacher will take this opportunity to talk about a typical day. Individual parent/teacher conferences are scheduled at this time. This program gives the parents an opportunity to see their child's school environment and meet parents of children in your child's class.

Spirit of Beacon Day

The Spirit of Beacon Day is an annual community event in which JV Forrestal Elementary School participates. Students, teachers, and parents show our school spirit by marching in the parade and having a booth on Main Street to raise money for PTSO activities. Please join us, and wear your JV Forrestal Elementary School t-shirt to show the community how proud we are to be associated with JV Forrestal Elementary School. For more information, please e-mail "jvfptso@gmail.com"

Parent Conferences

Parent conferences are scheduled prior to the first report card. This allows parents and teachers to talk individually about their child and answer any questions or concerns you may have since the school year started. This is a great opportunity to better understand what your child's teacher expects and how to attain these goals. Parent conferences may be scheduled at any time by calling the school and requesting an appointment.

PTSO Fundraisers

During the school year, the PTSO conducts several fundraisers. These fundraisers enable the PTSO to sponsor educational programs at the school. In addition, each teacher (who is a PTSO member) is invited to apply for a "PTSO Mini-Grant" to request funds for programs or materials they feel would be most appropriate for their class. The success of the PTSO fundraisers depends upon your support.

Book Fair

The PTSO will offer the Scholastic Book Fair for a week in the Spring which coincides with the school "Open House". The Book Fair is an opportunity to bring reasonably-priced books into your home. All books available are appropriate for children to read and are offered at many grade levels. Books may also be purchased and donated to our own school library at these times. The PTSO needs volunteers to help the children shop. Please e-mail "jvfptso@gmail.com" if you are able to assist.

Open House

Each Spring, we invite you to come and visit your child's classroom. You will be able to see your child's educational environment, review their progress, and appreciate their projects on display.

JV Forrestal Elementary School Spirit Items

The PTSO sells various Spirit Wear items, including t-shirts and sweatshirts for children and adults as a fundraiser. Consider purchasing one of these items to show your school spirit. Order forms will come home in the Fall. You can e-mail the PTSO at "jvfptso@gmail.com" for more information.

JV Forrestal Elementary Garden

"Empowering children to be informed ecological citizens through year round garden education focused on healthy eating, food literacy, environmental stewardship and academic success."
<http://hudsonvalleyseed.org/>

Calico Ball

This is a district-wide, 3rd grade event performed at Beacon High School. This project exposes the children to an understanding of culture that might be unfamiliar to them, including history, art, food, traditions, songs, and dance.

Moving Up Ceremonies

At the end of the school year, JV Forrestal Elementary 5th grade students participate in a Moving Up Ceremony to recognize their achievements and to wish them well on their academic career as they enter Rombout Middle School.

JV Forrestal Elementary School Scholarship

The JV Forrestal Elementary School PTSO sponsors two scholarships to former JV Forrestal students graduating from Beacon High School. Applications become available from the High School Guidance Office in the spring.

"School property" means in or within any school, playground and/or bus.

"School Bus" means every motor vehicle owned by the school that you will ride to and from school or a "School sponsored event or activity" or "school function" regardless of its location, and this include after school events.

"Disability" means (a) a physical, mental or medical impairment resulting from anatomical, physiological, genetic or neurological conditions which prevents the exercise of a normal bodily function or is demonstrable by medically accepted clinical or laboratory diagnostic techniques or (b) a record of such an impairment, provided, however, that in all provisions of this article dealing with employment, the term must be limited to disabilities which, upon the provision of reasonable accommodations, do not prevent the complainant from performing in a reasonable manner the activities involved in the job or occupation sought or held (Education Law §11[4] and Executive Law §292[21]).

The district has a long definition for "Harassment" and "bullying" and violations are subject to Education Law §11[7]. For our purposes "bullying" is when someone, on purpose, says or does or repeatedly says or does mean or hurtful things to another person who may have a hard time defending himself or herself.

Student Rights and Responsibilities 5300.15

A. Student Rights

The district is committed to safeguarding the rights given to all students under federal and state law and district policy. In addition, to promote a safe, healthy, orderly and supportive school environment, all district students have the right to take part in all school activities regardless of where you come from, your religion, what you look like or your gender. You also have a right to discuss your point of view when you may make a mistake before the school administers discipline. The school has to give you access to its rules and regulations and explain to you why and how a decision is made.

B. Student Responsibilities

All district students have the responsibility to contribute to a safe school, to know and abide by school rules and district policies, attend school every day and to be on time. You are to work to the best of your capabilities and ask questions when you do not know or understand something; seek help. You are to dress appropriately and conduct yourself according to school rules and district policies while at school and at school-sponsored events.

Essential Partners 5300.20

The Board of Education and district recognize that parents, guardians, school personnel, teachers, guidance counselors, principals and administrators are essential partners. Your education is the joint responsibility all of these people in your life. It is the parent and guardian's responsibility to get you to school on time and that you attend every day and that you are safe, dressed appropriately and to help you understand school rules and district policies. It is the responsibility of school personnel and teachers to maintain a school climate of mutual respect, dignity for all students and to report and address any situation where your safety is in question confidentially. Teachers are also responsible for planning and providing quality instruction, assignments and grades. Guidance Counselors help students cope with the pressures of school and with your friends. Principals and administrators promote a safe and stimulating school environment and ensure that all of these essential partners practice effective communication and adhere to school rules and district policies.

5300.25 STUDENT DRESS CODE

All students are expected to dress appropriately for school and school functions. Students and their parents have the primary responsibility for acceptable student dress and appearance. Students who violate the student dress code shall be required to modify their appearance by covering or removing the offending item, and if necessary or practical, replacing it with an acceptable item. Any student who refuses to do so may be subject to discipline, up to and including in-school suspension for the day. Any student who repeatedly fails to comply with the dress code may be subject to further discipline, up to and including out of school suspension.

5300.40 DISCIPLINARY PENALTIES, PROCEDURES AND REFERRALS I

Disciplinary action, when necessary, will be firm, fair and consistent regardless of actual or perceived race, weight, color, national origin, ethnic group, religion, religious practice, gender identity or sexual orientation, sex or disability so as to be most effective in changing student behavior. In determining the appropriate disciplinary action, school personnel authorized to impose disciplinary penalties will consider the following:

- 1. The student's age.
- 2. The nature of the offense and the circumstances which led to the offense.
- 3. The student's prior disciplinary record. As a general rule, discipline will be progressive.
- 4. Information from parents, teachers and/or others, as appropriate.
- 5. The nature and scope of a student's known or suspected disability.
- 6. Other extenuating circumstances.

A. Penalties

Students who are found to have violated the district's code of conduct may be subject to the following penalties, either alone or in combination. The school personnel identified after each penalty are authorized to impose that penalty, consistent with the student's right to due process.

- 1. Oral or written warning

- 3. Detention
- 4. Suspension from transportation
- 5. Suspension from athletic participation

B. Procedures

The amount of due process a student is entitled to receive before a penalty is imposed depends on the penalty being imposed. In all cases, regardless of the penalty imposed, the school personnel authorized to impose the penalty must inform the student of the alleged misconduct and must investigate, to the extent necessary, the facts surrounding the alleged misconduct. All students will have an opportunity to present their version of the facts to the school personnel imposing the disciplinary penalty in connection with the imposition of the penalty.

Students who are to be given penalties other than an oral warning, written warning or written notification to their parents are entitled to additional rights before the penalty is imposed. These additional rights are explained below.

1. Detention

Students may be assigned before/after school detention or lunch/recess detention as a penalty for student misconduct in situations where removal from the classroom or suspension would be inappropriate.

2. Suspension from transportation

In such cases, the student's parent will become responsible for seeing that his or her child gets to and from school safely. Should the suspension from transportation amount to a suspension from attendance, the district will make appropriate arrangements to provide for the student's education.

3. Suspension from athletic participation, extra-curricular activities and other privileges

4. Teacher Disciplinary Removal of Disruptive Students

A classroom teacher may remove a disruptive student from class for up to two days. The removal from class applies to the class of the removing teacher only.

b. Long term (more than five days) Suspension from School

When the Superintendent determines that a suspension for more than five days may be warranted, he or she shall give reasonable notice to the student and the student's parents of their right to a fair hearing. At the hearing the student shall have the right to be represented by counsel, the right to question witnesses against him or her and the right to present witnesses and other evidence on his or her behalf.

c. Permanent suspension

Permanent suspension is reserved for extraordinary circumstances such as where a student's conduct poses a life-threatening danger to the safety and well-being of himself/herself or other students, school personnel or any other person lawfully on school property or attending a school function.

Alternative Instruction 5300.45

Students will be offered the opportunity to attend alternative means of instruction during out of school suspension.

Discipline of Students with Disabilities 5300.50

Please refer to the Procedural Safeguards notice posted at <http://www.beaconcityk12.org/> for complete details and timelines of the due process rights for students with known or suspected disabilities under the NYS 201 Regulations of the Commissioner of Education.

Students with a 504 accommodation plan have due process rights similar to students with disabilities. Additional information, details and timelines are available at <http://www.beaconcityk12.org/>

Students with disabilities and their families have protected educational and procedural rights regarding discipline issues. These same rights are entitled to students who may be suspected as having a disability or an impairment. The impact of the disability, impairment, or suspected disability must be considered before the discipline consequence is set.

The Principal, Superintendent, or Board of Education may place a student with a known or suspected disability into another setting for up to 5 consecutive days.

The Superintendent has the authority to accept a decision to suspend a student with a known or suspected disability for more than 5 days if the district has ensured that the IEP was reasonably developed and implemented to support the student's disability needs.

The student's IEP must be reviewed and revised as needed in order to put evaluations, supports, strategies or services in place to address the student's behavioral needs. This may include changing a student's placement if necessary.

In cases of weapons, illegal drugs, and/or severe bodily injury, the Superintendent or Hearing Officer can order a 45 day suspension; regardless of disability or IEP supports.

For a full copy of the Procedures for the Suspension or Removal of Students with Disabilities by School Personnel please visit the district's website or contact your school.

Corporal Punishment 5300.55

Corporal punishment is any act of physical force upon a student for the purpose of punishing that student. Corporal punishment of any student by any district employee is strictly forbidden.

However, in situations where alternative procedures and methods that do not involve the use of physical force cannot reasonably be used, reasonable physical force may be used to:

1. Protect oneself, another student, teacher or any person from physical injury.
2. Protect the property of the school or others.
3. Restrain or remove a student whose behavior interferes with the orderly exercise and performance of school district functions

Student Searches and Interrogations 5300.60

School officials are not required to contact a student's parent before questioning the student. However, school officials will tell all students why they are being questioned. An authorized school official may search a student or the student's belongings based upon information received from a reliable informant.

Students have no reasonable expectation of privacy with respect to student desks and other school storage places. School officials retain complete control over these places. This means that desks and other school storage places may be subject to search at any time by school officials, without prior notice to students and without their consent.

5300.65 VISITORS TO THE SCHOOLS

1. All visitors to the school must enter through the main entry and report to the sign in area upon arrival at the school. Visitors will be required to present a valid NYS photo identification and sign the visitor's log. A visitor's identification badge will be issued and must be worn at all times while in the school or on school grounds. The visitor must return the identification badge to the Principal's office, security desk or greeter before leaving the building.
2. All visitors are expected to abide by the rules for public conduct on school property contained in this code of conduct.

5300.70 PUBLIC CONDUCT ON SCHOOL PROPERTY

The district is committed to providing an orderly, respectful environment that is conducive to learning. To create and maintain this kind of an environment, it is necessary to regulate public conduct on school property and at school or district events or activities. For purposes of this section of the code, "public" shall mean all persons

when on school property or attending a school or district sponsored event or activity including students, teachers and district personnel.

The restrictions on public conduct on school property and at school functions contained in this code are not intended to limit freedom of speech or peaceful assembly. The district recognizes that free inquiry and free expression are indispensable to the objectives of the district. The purpose of this code is to maintain public order and prevent abuse of the rights of others.

All persons on school property or attending a school function shall conduct themselves in a respectful and orderly manner. In addition, all persons on school property or attending a school function are expected to be properly dressed for the purpose they are on school property.

5300.80 DIGNITY FOR ALL STUDENTS ACT (DASA)

The Board of Education recognizes that a learning environment that is safe and supportive can increase student attendance and improve academic achievement. A student's ability to learn and achieve high academic standards, and a school's ability to educate students, is **affected** by incidents of discrimination or harassment, including but not limited to bullying (including cyberbullying), taunting, hazing and intimidation. The district will, therefore, strive to create an environment free of discrimination and harassment and will foster civility in the schools to prevent and prohibit conduct which is inconsistent with the district's educational mission.

The district **will not tolerate any form** of discrimination or harassment of students (regardless of actual or perceived race, weight, color, national origin, ethnic group, religion, religious practice, gender identity or sexual orientation, sex or disability) by school employees or students on school property or at school-sponsored events and activities that take place on or off of school property. In addition, any act of discrimination or harassment outside of school-sponsored events which disrupts the educational process may be subject to discipline.

To that end, the administrators, faculty, staff and students will participate in activities designed to support a school climate of care and respect, and proactively prevent discrimination, harassment, and bullying, including cyberbullying.

All students have the responsibility to treat each other with care and respect. No student shall be treated differently or unfairly because of actual and/or perceived differences. This includes saying hurtful words and/or doing hurtful things either in person, on a computer or other electronic device, or in any other way. Students who feel uncomfortable and/or unsafe because of the words or actions of others should immediately speak with a teacher, administrator, coach, or other adult.

Dear JVF Community,

The seasons are changing and I want to take this opportunity to remind you of our **outdoor recess policies as the colder weather months are approaching**. Your child's health and comfort are important to us.

- Students will play outdoors daily when weather and air quality do not pose a significant health risk, as outline in the [Beacon City School District Wellness Policy](#), and [Outdoor Recess Regulation](#).
- Students will remain inside in extreme weather conditions such as: cold temperatures (below 26 degrees) and wind chill, heavy rain and snowfall. In the event that the school conducts indoor recess, our teachers and staff will follow indoor recess guidelines that promote physical activity for students, to the extent practicable, as determined by the school principal.
- If your child cannot participate in recess for health reasons, please send a note to this effect.

Please make sure your child arrives **ready to play by sending them appropriately dressed for the weather so they can participate fully, move freely, play safely, and be comfortable**.

Examples of clothes that allow for outdoor play in different weather conditions include:

- **Snow:** heavy coat, boots, hat, scarf, and gloves.
- **Rain:** raincoat, sneakers, boots.
- **Varying temps:** layers of clothing.

Children's footwear should also provide support for running and playing outdoors. Examples of appropriate footwear include **sneakers, gym shoes, and other shoes with rubber soles that enclose the feet and will not come off easily**.

For our little ones - please work with your child at home **practicing zipping, buttoning, removing boots etc.** they will receive help at school, however, support at home in practicing this will help lead them to independence and timely process for getting outside and returning from recess.

Please let us know if you are in need of winter clothing for your child/children, and we will do our best to help address this need. You can contact our Social Worker; Mrs. Greenspan (ext. 5642), School Nurse; Mrs. DelBianco (ext. 5610) or our JVF PTSO at JVFPTSO@gmail.com.

Thank you all for your attention to this matter :)

Wellness Policy Regulations: Outdoor Recess Effective Beginning 2018-19 School Yr.

During typical winter days, common sense requires us to look beyond a specific temperature and consider factors such as wind chill, whether the ground is frozen or the sun is shining, how well students are prepared to play outdoors (jackets, gloves, and hats), and the length of time to be spent outside.

Deciding when students play outside remains the responsibility of the principal, based on his/her professional judgment and is a judgment call on a day-to-day basis. The decision-making process may also vary from grade to grade.

The following are expected guidelines to follow in order to adhere to the district's wellness policy # 5405 on recess.

- In conditions of **rain, snow, sleet, or when the temperature is below 26 degrees** with/without wind chill factors students will **remain indoors for recess**.
- **Principals will check weather advisories and weather service announcements**, as well as outdoor conditions in areas **used for recess to inform daily decisions**.
- Principals will **include outdoor recess information** in the school's **student/family handbook each year**.
- Principals will send **reminder letters and notifications to families at the beginning of the winter season regarding outdoor recess and the district's regulation**.
 - Additional **reminders may be sent as determined necessary by the principal** throughout the winter season. This includes reminders that **children will need to be properly dressed for cold weather conditions which may include boots, hats, gloves, and a warm coat**.
- Children with **special health conditions, in particular asthmatic children, may require special accommodations during cold weather** which will be included as part of a 504 Accommodation Plan or Emergency Medical Plan;
- **All students will go outside unless they have a note** from either a parent/guardian or a doctor for short term, acute health needs.

Principal will work with **student support services staff in the school, such as social worker, nurse, and/or school psychologist in order to support families** as needed to determine individual student needs for exemptions to outdoor recess, or support with **ensuring students are dressed appropriately for winter weather conditions**.
