Does your child or family need support with...

Making friends?

Accessing the community?

Leaving the house?

Managing challenging behaviors?

Anderson Center Consulting
Family Support Services

Offering ABA Support for Individuals and Families

Dutchess, Columbia, Greene, Putnam, and Ulster Counties

About the Program
Family Support Services (FSS) is a short-term, in-home program to assist families with individuals (childhood through adulthood) with Autism or other related developmental disabilities. **Services are offered at NO COST to families** and include:

♦ Immediate and ongoing support and instruction for families and individuals, including:
  ♦ Learning about available resources and supports
  ♦ Preventing and managing behavioral challenges in the home and community environments
  ♦ Accessing the community

Supporting Children
While our supports are specific to each families' needs, we provide training in skills and strategies to families with young children for:

♦ Accessing their community
♦ Following routines; going out of the house (i.e., school, community)
♦ Managing challenging behaviors
♦ Helping your child understand when they cannot have their way

Supporting Young Adults
For families of young adults, we provide strategies and supports for:

♦ Identifying goals and objectives
  ♦ Employment, college, leisure
♦ Accessing the community
  ♦ Transportation, safety, life skills, problem solving
♦ Making Friends

Eligibility
To be eligible for services through our Family Support Services program, individuals (children or adults) must:

♦ Be diagnosed with a developmental disability (including Autism Spectrum Disorders)
♦ Meet criteria for OPWDD eligibility at time of assessment/service
♦ Reside with family members in Dutchess, Columbia, Greene, Putnam or Ulster County
