

Study STEM at SCAD

scad.edu

SCAD programs are top ranked by Red Dot, DesignIntelligence, The Business of Fashion, The Hollywood Reporter, Art & Object, and The Rookies, among others.

Students work on real-world solutions with companies like Google, Disney, BMW, and more through SCADpro, the university's in-house, creative design and research consultancy.

99% of SCAD alumni are employed or pursuing further education within 10 months of graduating, and many work at companies like IBM, Facebook, Pixar, Instagram, Netflix, NASA, and more. +

For more information on these programs, visit scad.edu/programs or contact your admission adviser.

+ Percentage of Spring 2020 graduates who were employed, pursuing further education, or both within 10 months of graduation, according to a recent study.
