Please write an essay of 300-500 words about one experience you will always remember as a student in the Beacon City School District. The experience can be from any grade level and can be any activity that the school was involved with. Please describe what the event meant to you and why it was so significant. The event may have been a class trip, a prom, an extra-curricular event, a guest speaker or any other activity that you really enjoyed. If you are unable to recall an experience, please describe an activity or event that you think the District should offer to students and why. Your essay must be typed and should be attached to this application.

**DEADLINE: MONDAY, MAY 15, 2023**

**\*All applications should be submitted to the Guidance Office at BHS.**
