

Welcome to 2nd, 3rd & 4th Grades!

Dear Families,

First, welcome back to another year for your amazing child! Our class is moving upstairs, a big step in Sargent school! This coming year will be an exciting and a busy one. Together we will explore and learn about many new things.

To prepare for a successful year it's important that you continue to practice your reading and math facts over the summer. Being fluent in your addition, subtraction and for our 3rd graders, their multiplication facts and skip counting will make our math lessons much easier!

Attached to this letter is our supply list. Please bring your supplies on the first day of school. Please label all of the supplies with your name.

Have a great summer and we look forward to seeing you soon!

-Mrs. Lizewski
