

# Bus Propositions

Budget Vote May 2024

# EV Bus Proposition May 2023

Voters approved proposition to purchase an EV bus with a maximum cost of \$466,000 only if we received a grant of \$250,000

Current cost of an EV bus & Level 3 charger- \$495,000

2023 EPA Clean School Bus Rebate Program - up to \$200,000

NY School Bus Incentive Program (NYSBIP) - \$220,500

# What will be on the ballot in May 2024

1. Amend the language of Proposition 3 from May 2023 to increase the net cost of the EV bus.
2. Include authorization to purchase a second bus with the same net cost.

# Additional Bus Proposition

Proposition to purchase:

3 - 72 passenger buses - \$485,000

BCSD receives 59.9% of transportation aid spread over five years

We will finance the cost over 5 years
