ROMBOUT MIDDLE SCHOOL

INTRODUCTION

This handbook is a resource and guide for **hybrid/ in-person learners**. Students on our hybrid track report to school in person based on a blue and gold day rotation system. Below is a visual aid to assist parents/students in better understanding what a week at RMS looks like for a hybrid student. Click the image below to access our zoom presentation which further explains the scheduling breakdown.

REOPENING 2020-2021 SCHOOL YEAR ROMBOUT MIDDLE SCHOOL HYBRID SCHEDULE

MONDAY & TUESDAY	WEDNESDAY	THURSDAY & FRIDAY
BLUE DAYS Students with last names A-L report, in person, to school. Students with last names M-Z follow their virtual schedule.	GREEN DAYS  All students work remotely and stay home.	GOLD DAYS Students with last names M-Z report, in person, to school. Students with last names A-L follow their virtual schedule.

When a hybrid student is in the building, they will follow a regular 8 period day schedule. When a hybrid student is home, they will meet with their Math, Science, SS, and ELA teachers remotely on a separate schedule. Included in the charts below is the "at home" class time for hybrid students. A hard copy of the student schedule will show a full week of instruction. The snapshot of the schedule seen in ParentPortal does not show our footnotes we added to identify the "at home" learning periods. (Footnotes shown on bottom table)

ROMBOUT MIDDLE SCHOOL

HYBRID LEARNING ORIENTATION

We will hold an orientation for hybrid students on September 10th and September 11th. Transportation will not be provided and students don't need to bring any supplies with them. On these days, **Chromebooks should be brought to school, charged, and ready for use.** If your child does not have a chromebook, email help@beaconk12.org and set up an appointment to pick one up.

	Grade 6 - Sept. 10th	Grade 7 - Sept. 11th	Grade 8 - Sept. 11th
Last Names A-L	8:00-11:00 AM	8:00-11:00 AM	8:00-11:00 AM
Last Names M-Z	11:45 - 2:45 PM	11:45 - 2:45 PM	11:45 - 2:45 PM

ARRIVAL & DISMISSAL

Students who take a bus and students who walk to school will enter the building and have their temperature checked at the "old main entrance." Students who get dropped off by car will enter the building and have their temperature checked at the kiosk entrance. Students may leave out of any door at the end of the day. Walkers can exit out of any door but may not walk through the bus area at dismissal.

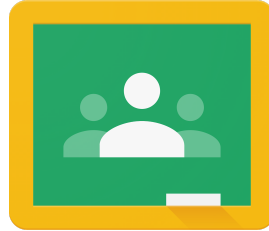

BEHAVIOR & EXPECTATIONS

Students are to adhere to the rules of the [BSCD Code of Conduct](#) and RMS Handbook while in school and online. Masks are to be worn at all times in the building unless directed by a teacher to take a "mask break." Students are expected to follow social distancing rules that have been put in place.

GOOGLE CLASSROOM

Google Classroom is the online platform that students will use to receive assignments, submit assignments, engage with their teachers and engage with their classmates. While in school, Google Classroom will allow us to be as paperless as possible. While home on "remote learning days," Google Classroom is where the teacher will post links to live video conferences, pre-recorded videos of lessons, assignments to complete, etc. It is very important that students familiarize themselves with this learning tool. We have created a building wide list of "join codes" to ensure that all of our students feel a part of the first day of school whether they are here in person or joining us remotely. We will update these codes if the information changes throughout the year.
