

# Enroll in Beacon's Community Solar Program and RAISE MONEY FOR BEACON'S SCHOOLS!

## Why is this good for the schools?

Every enrollment through Hudson Valley Community Power raises money for a Beacon Sustainability Fund for the schools. These funds can be used to meet our Board of Education goals of improving the energy efficiency of existing facilities in the District and expanding curriculum for 21<sup>st</sup> Century learning.

As of Nov 5<sup>th</sup>, more than \$8,000 has already been raised through Beacon enrollments. Each enrollment adds \$50 to the Fund.

## Why is this good for me?

- Save up to 10% annually for 25 years
- Support local renewable energy
- No rooftop panels required
- Central Hudson still delivers your electricity
- Cancel anytime without penalty

**We've raised \$8,500  
to date! 30 more  
enrollments can get  
us to \$10,000**

## How do I enroll?

1. Visit [www.hudsonvalleycommunitypower.com/solar](http://www.hudsonvalleycommunitypower.com/solar)
2. Click on the "Enroll Now" button up top
3. Fill out the online enrollment form, by providing your name, contact details and utility account number. Click Submit!
4. You will receive an email with the Community Solar Subscription Agreement. Fill out and digitally sign the agreement or return your completed contract via email to [solar@hudsonvalleycommunitypower.com](mailto:solar@hudsonvalleycommunitypower.com)

## What is community solar?

A program that allows utility customers (including members of Community Choice Aggregation programs) to support local solar power and save on annual electricity costs without having to install solar panels.

## What is Hudson Valley Community Power?

A program that enables participating communities to join together and secure favorable energy supply rates from renewable generation sources.

COMMUNITY POWER  
PROGRAMS REDUCE  
CARBON EMISSION AND  
ELECTRICITY COSTS

Community Choice Aggregation  
and Community Solar are  
powerful statewide tools to fight  
the Climate Crisis, which work  
together to save you more.
