## Winter / Spring News Letter

March 20 2014

**Eric J. Romanino— Director of Physical Education, Athletics and Health Services**

I would like to take this opportunity to congratulate all the winter athletes for another exciting season and the way they represented Beacon High School. It was a pleasure watching all of our athletes compete and accept victory as well as defeat with pride and dignity. They have all worked extremely hard preparing for each contest and still managed to maintain the rigorous academic requirement set forth in the classroom.

This winter marked another season where two of our stellar athletes, Taurus Philips and Noriana Radwan, signed Division One NCAA athletic scholarships. The Boys Track and Girls Basketball teams won League Championships and both were ranked in New York State. The track team qualified four athletes to the NYS Indoor Track championships with Rayvon Grey and James Brown placing 2<sup>nd</sup> and 6<sup>th</sup> respectively. Andrew Grella became the school's first wrestler to compete in the NYS Champion Finals. In addition to fine performances of our athletes and teams, Beacon High School was able to show case its beautiful facilities when we hosted the Section One Division Two Wrestling Championships and the NYS Class A, B and C Basketball Regional Finals. Both events earned raving reviews from visiting teams and spectators.

I hope you enjoy reading about our athletes and teams in this newsletter. We should all be proud of their accomplishments!

### **GIRLS BASKETBALL WINS LEAGUE CHAMPIONSHIP**

#### **AND EARNS TOP SEED IN THE SECTION ONE CLASS A CHAMPIONSHIPS**

Congratulations to the Girls Varsity Basketball team who finished their season 18-3 and made it to the semi-finals of sectional play. The top seeded Bulldogs were able to capture a league title and defeat their long time rival Our Lady of Lourdes High School this season. The Bulldogs accomplished their preseason goals, one of which was to make it to the sectional semi-finals at the Westchester County Center. This year's team was led by All Section, Division I St. Peter's bound Talah Hughes and a supporting cast of seniors who will be greatly missed next season. Congratulations to Talah Hughes, Brooke Dennin, Mary Jacketti, Emma Haran and Sara Nesheiwat as they graduate from Beacon High School. Their leadership and talent will be greatly missed. The Bulldogs will return a core of dedicated and talented players to the squad next year led by all section, all league players Lauren Schetter and Leandra Echi. This team never faltered in the face of adversity and was determined to win at all costs. This was demonstrated in their quarter-final over-time win against Tappan Zee. The Lady Bulldogs were dominant this year because of their defensive intensity and willingness to play as a team with contributions from all. A special thanks to Larry Dahl the scorekeeper and assistant coaches Randy Casale and Rachel Ormsby for their assistance and dedication this season. And congratulations to Christina Dahl for being named League Coach of the Year.

## "Beacon Jumpers headline the top ranked NYS Class B team"

The Varsity Indoor Track team just completed one of its most successful seasons ever. The Boys team finished the season as the number 1 ranked Class B team in New York State. Individually, the team sent three boys and one girl to the state championship in Cornell. Sophomore Paige Baisley qualified in the high jump after finishing 2nd in the section with a leap of 5 feet 2 inches. She finished 22nd at the state meet. Senior James Brown made it to the podium in his 3rd trip to the State Championship, garnering 6th place in the high jump with a leap of 6 feet 4 inches.

In the Long Jump pit, two spectacular talents, Terrel Davis and Rayvon Grey, both qualified for the State Championship as sophomores. Terrel and Rayvon became the first sophomores at states to make the finals in the Long Jump since 2007. Terrel tied his personal best of 21' 6" in finishing 9th and Rayvon set his 3rd personal record (PR) in as many meets as he soared 22 feet 11 1/2 inches to finish 2nd. This is Beacon's 3rd state runner-up in the past four indoor seasons (Victoria Alexander - 55 meters; Alex Bowen - High Jump(2011)). Rayvon's jump was the 2nd longest in history by a New York State sophomore. He is now nationally ranked US #31 and is US #4 amongst sophomores.

To refute the notion that all the track team does is jump, Rayvon teamed with David Adams, Brandon Booker, and Justice Telesco to qualify for the prestigious Millrose Games on February 15th. They qualified by running a school record 3:31.47 in the 4x400 relay, a time that also ranks as the top time in the state for a Class B school. David Adams also set a school record in the 300 meters of 36.29 and a sophomore record for the 55 meter hurdles of 8.15 seconds. Both times ranked in the top five of Section 1.

## GRELLA GOES TO NYS WRESTLING CHAMPIOSHIP FINALS

Andrew Grella became Beacon's first wrestler to advance to the New York State wrestling championship finals, only to lose to Reggie Williams from Johnson City (Section IV) by the score of 5-1. Andrew's 2<sup>nd</sup> place finish at 195 lbs. was the highest place finisher of the nine Beacon wrestlers who have qualified for the state championship since 1970. En route to the finals, Andrew beat Nnamdi Uchendu (PSAL – Springfield Gardens) 18-7, Trent Egenlauf (Section V – Spencerport) 5-1 and in the semi-finals Erik Jessell (Section IX – Cornwall) with a 1:07 pin.

Andrew and his brother Vincent were both Section One Champions and NYS place finishers. Andrew has committed to wrestling at Division I University Binghamton where his brother is currently a member of the wrestling team.

Andrew had a stellar season for the Bulldogs. His final record was 45-3 and won five tournament championships along with four tournament Most Outstanding Wrestler awards. He also earned All League, All Section, All State honors. Andrew led the team in most statistical categories including 25 season pins.

## PHILLIPS COMMITS TO VILLANOVA

Taurus Phillips signed a letter of intent to attend Villanova University on a football scholarship. Taurus became Beacon's first football player since Bryan Walker signed a Division I football scholarship in 1988 to Northeastern University. Taurus was highly recruited by other schools including, Nebraska, Arkansas, Albany, UConn and Maine.

Taurus Phillips had a breakout season this year for the Beacon football team. He led the team to a 5-4 record and helped them score 259 points for the season. Taurus finished the season with 1074 yards rushing and 9 rushing TD's which resulted in over 13 yards per carry. He had 248 yards receiving and 3 receiving TD's and also threw for 3 scores and had a kick return for a TD as well.

## RADWAN SIGNS SOCCER SCHOLARSHIP TO UCONN

Noriana Radwan signed a letter of intent to play soccer at the University of Connecticut. Noriana is the first Beacon High School Soccer player to receive a Division I soccer scholarship.

Noriana was a member of the high school varsity girl's soccer team for five years. She overcame a serious concussion in her freshman year and a torn ACL in her junior year. Despite the injuries she was still able to receive a full athletic scholarship. Noriana spent the off seasons playing soccer for AAU soccer to improve her soccer skills and was recognized by college coaches.

Noriana is excited to be member of the Huskies soccer team in the fall.

## **GIRLS BASKETBALL TEAM RAISES \$750**

### **FOR THE MILES HOPE BREAST CANCER FOUNDATION**

On January 22, The BHS girls varsity basketball team and dance team held an event in which they were able to raise money for the Miles of Hope Breast Cancer Foundation here in the Hudson Valley. The teams asked for donations at the door to watch the girls basketball team compete against Our Lady of Lourdes High School and the dance team perform a half-time show. This event was a success, raising \$750.00 to improve the quality of life for those affected by breast cancer in our region. Miles of Hope funds support services for people affected by breast cancer within eight counties of the Hudson Valley. Our donation will enable this organization to expand their important programs and services to the under-served population in the Hudson Valley. Thank you to all those that helped make the fundraiser a success.

### **COACHES vs. CANCER BASKETBALL FUND RAISER**

On Saturday, February 1<sup>st</sup>, Beacon High School hosted "Coaches vs. Cancer" which is a division of The American Cancer Society. The fund raiser was organized by the Lower Hudson Valley Basketball Coaches Association. The day consisted of four outstanding high school boys basketball games; Putnam Valley played Our Lady of Lourdes, Peekskill played Poughkeepsie, Beacon played Clarkstown South and Arlington played Mahopac. All four games were very competitive which led to an exciting day of basketball.

Coach Tom Powers and the whole association would like to thank the Beacon City School District and all of the people who volunteered. The event was a huge success raising over \$2,000 which will go directly to cancer research in the New York Region.

### **ROMANINO INDUCTED INTO THE SECTION ONE WRESTLING HALL OF FAME**

Eric Romanino was inducted in the Section One Wrestling Hall of Fame on March 21<sup>st</sup> for his contributions to Section One wrestling as a coach and wrestling chairman. Eric spent the last 18 years as the section wrestling chairman and member of the NYS wrestling committee.

Eric also coached wrestling in Beacon for 15 years and has been the Director of Physical Education, Athletic and Health Services for the past 18 years.

## Students Named Scholar Athlete

I am once again very proud to announce that 145 athletes this winter season were named as Scholar Athletes. 57% of our 255 athletes participating on teams maintained an average of 85 or better. In addition, the Varsity Boys and Girls Bowling, Boys and Girls Indoor Track and Girls Basketball teams earned the New York State Public High School Athletic Association Teams Scholar Athlete Awards. This award is given to teams with a cumulative average of above 90.

Congratulations to all of our student athletes for their academic achievement in the classroom. Athletics is not only about being a good athlete, it is also about being a good student.

## Beacon Freshman Wins Contest, Donates to Soccer Program

Beacon Freshman scholar athlete Gabby Lucas competed in the Modell's Draw the World Cup 2014 Soccer Ball Contest this past December and won the \$500 1st prize. After her win, Gabby wanted to make a \$250 donation to the Beacon Varsity Girls Soccer Program to demonstrate how important sports and athletics are to students, and to help the Varsity Girls Soccer Program in some small way.

"Through sports, we learn that with teamwork, hard work, communication and discipline, success can be reached" said Gabby. She played 2 years of JV Soccer for BHS and was pulled up to Varsity this past fall during sectionals as a freshman. She has been playing competitive travel soccer for 4 years, and is one of the current captains of her Beacon Travel Soccer Team. Gabby was recently selected as a player for the Eastern New York Youth Soccer Olympic Development Program, where she'll be playing for the Region 1, ODP Team representing New York this 2014 year.

"Gabby has grown through recreation and school soccer, and she realizes that there is much dedication and support given by players, coaches and administrators," says her mom Nicole. "She felt compelled to give back to the school as a token of her appreciation."

Contest entrants were asked to submit designs for the 2014 World Cup soccer ball for a chance to win one of three gift card prizes. Facebook users then voted on the finalists to determine the winners. Prizes were based on the number of votes received. Prize winners also received 4 tickets to an MLS Game in their area, which Gabby selected as the New York Red Bulls later this season.

**Players to Watch:** There are a dozen exciting athletes on the boys and girls team to watch. Two of them are Terrel Davis and Rayvon Grey who made the long jump finals of the state championship during the indoor season. Every meet will be exciting to see what these two sophomores do next. Other state indoor qualifiers (Paige Baisley and James Brown) will also benefit from a switch to the more consistent training that the outdoors affords.

**Coaches Quote:** "The future has arrived - and it looks mighty fine! After suffering through a number of seasons where more talent graduated than joined the team, the influx of talented underclassmen is ready to take over Section 1. There is athletic talent and there is the willingness to develop that athletic talent. We know we have the talent. It would appear from the first week and a half of practice that our team is hungry to improve. The Beacon boy's team finished the indoor season as the #1 ranked Class B team in New York State. Unless I'm misreading the tea leaves of practice, we're about to get even better."

There are six returning seniors who are prepared to leave it all out on the field this season. The program has finally added a Junior Varsity team to create a strong foundation for the Varsity team in years to come. I am eager to be back for another season to work with these talented athletes.

---

### Varsity Girls Golf

**Coach:** Robert Balch – 6<sup>th</sup> year head coach

The 2014 Girls' Varsity Golf Team is poised and ready to build on the record-setting campaign of last season. The Lady Bulldog golfers finished the 2013 season tied for second place in the conference, and they are included in a short list of possible conference winners this year.

The team is led by senior co-captains golfer Mary Jacketti and Britni Grohosky, both looking to qualify for sectionals. Sophomore Emily Kidd is another standout returning to set an example for many of the up and coming girls. She narrowly missed the cut for sectional play the past two years, and this year she is sure to qualify for post-season play. There are certainly many accolades waiting for her in the years to come.

Returning seniors Caroline Banks and Neomi Brereton are joined by newcomer senior Emma Haran. Juniors Lisa Hornick (3 years varsity experience), Chrissy Hutchins and Daeveon Walker join sophomore Kailee Montross (also a three year player) and other newcomers Emily Quintana and Shantay Grandison to round out the squad.

These hard working players remain a force to be reckoned with in a section which is an early favorite to take the state title. Best of luck ladies- hit 'em straight!

---

### Varsity Boys Golf

**Coach:** Ed Malle

**Coaches Quote:** This will be a transitional year, we graduated 4 seniors and have a good number of new golfers. We are fortunate to have the leadership and mentoring of Tyler Ericson, Mark Murphy and Donald Goodall. We have a group of athletes who are extremely motivated and are working very hard to bring the team together. With a lot of work, they will be very successful. We are fortunate to have Mr. Goodall as a coach and the use of The Garrison Golf Club as an alternate golf course.

**New Players to Watch:** Savannah Mora, Sydney Dexter, Amber Butler, Maddie Simmonds

**Coach's Quote:** This season we have a small group of returning players as well as a solid group of freshman adding to the mix. The seasons focus will be on refining the fundamentals of the game as well as building new skills and improving as players and as a team. The girls have been working hard preparing for the season and I look forward to working with them and having a successful season.
