Greetings!

We are excited to announce that we are now offering the convenience of online registration through **FamilyID** (www.familyid.com).

FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through **FamilyID**, the system keeps track of your information in your **FamilyID** profile. You enter your information only once for each family member for multiple uses and multiple programs.

BEFORE YOU REGISTER:

Please make sure that parent and athlete have read the following items that are found on the Beacon City School District's website under Athletics:

Your child needs to have a physical that has been performed within one year from the month that the sport starts.

If you are unable to provide this, you will be able to give your permission for the physical to be done at school, during the registration process.

Signature section needs to only include these things as this is how we have them listed in Family ID:

1. Acknowledgment of having read the medical clearance policy
2. Concussion information
3. Athletic handbook
4. Athletic placement process if applicable.

It also needs to be understood that the **parent** or **guardian** must sign the agreements - **NOT** the student.

The following MUST be signed before the student-athlete can participate. The “electronic signature” is acceptable:

Parent/Guardian Health History and Consent Agreement

Parent Concussion Agreement

Student Athlete Concussion Agreement

INFORMATION NEEDED TO REGISTER:

It will be helpful to have the following information handy to allow for accurate completion of your online registration.

Contact information for parent/guardian and two emergency contacts

Student's insurance information

Name and contact information for the child's doctor

A copy of the student's current physical

All medical history information including **details** about any recent injuries or medications the student is taking
