Curriculum and Student
Services*

Dr. Matthew Landahl
Superintendent of Schools

Dear Parent(s) or Guardian(s):

New York State law requires that each child in a school district have a health examination including body mass index before entering school for the first time, and again in grades 1, 3, 5, 7, 9, 11. Students wishing to play interscholastic sports or requesting work permits must have an annual health exam. A dental exam form is also requested for these grades as well, but not required.

Your own health care provider is always the best choice for these exams. We encourage you to call early as it may take several weeks to schedule exams during the busy summer and fall months.

We have included the NYS Health Examination form for your health provider to complete. We can accept this form dated after **September 5th 2022 for the 2023-24 school year**. You or your provider may return the completed form to the school health office or email it to aakjar.h@beaconk12.org.

If you do not provide an exam form by **November 1st, 2023**, an exam will be scheduled with our school medical director. Please let your child know they will be examined at school.

Upon completion of in-school exams, you will be informed of any important findings and need to follow up with your healthcare provider.

Please Complete And Return The Bottom Portion To Your Building Health Office Today
